Freeport Logistics Expands Operations in SE Phoenix

Former Starr Logistics Facility Improves Access To Arizona's 'Valley Of The Sun'

Phoenix, AZ — May 21, 2008 -- Freeport Logistics, Inc. (FLI) today announced expanded operations to include a new facility leased from Ed Starr, just off Interstate 10 in Chandler, Arizona. Conveniently situated to serve the growing southeast Phoenix area, the former Starr Logistics facility provides access to nearby cities including Tempe, Mesa, Scottsdale, Tucson and Casa Grande.

"In today's business climate, a company must act quickly and operate efficiently to ensure growth and success," says Trudy McCleary, Freeport Logistics' Manager of Business Development. "We believe this new location gives our customers a better opportunity to serve *their* clients in the new growing area of the Valley of the Sun."

With 105,000 square feet of racked space, 38' clear ceilings and 22,000 square feet of temperature controlled space, the new site offers customers enhanced market access and is a natural complement to Freeport's south west Phoenix operation of over 1,000,000 square feet.

About Freeport Logistics

Freeport Logistics, Inc, with sister company Freeport Distribution, Inc. operates 3 facilities in south west Phoenix, with over 1.1 million square feet of sprinklered, secured and monitored space, and offers a full range of value-added warehouse and distribution services. The company creates value through operations efficiency, providing services that allow customers to differentiate themselves from their competitors. Freeport offers a range of logistics services including internet order fulfillment, e-commerce, direct web order capability, small parcel shipments with direct tracking interface, EDI, RF barcode, real time WMS with Internet accessibility, marking, kitting and labeling.
