**Dallas, TX** — Shippers Warehouse, Inc. was recently awarded the contract to provide the distribution management services necessary to operate Unilever's new 822,000 square ft. distribution center to be located in Wilmer, Texas. Unilever's decision to combine their Home and Personal Care division with the Food Division necessitated the establishment of this combined facility.

Shippers Warehouse has provided distribution services to Unilever since 1995, first with Best Foods and progressing to the Unilever Foods division in 2001. Having won the distinction of "Distribution Center of the Year" for the past two award periods, Shippers looks forward to continuing this tradition of excellence with Unilever into the future.
